Good Evening Elizabeth,

Please see the following link for RLSD of Revision 3 of the WCQAPP for DASS, Newark Bay, and Removal Action Projects. This incorporates various changes including:

- Method updates
- Removal of DUAR
- Administrative changes

The clean version of the WCQAPP Revision 3 can be found at the following link:

Please note, I am still compiling some of the revised analytical SOPs, and will send them over as an appendix. Please let me know if EPA has any comments on the QAPP.

Thank you
